

REMARKS/ARGUMENTS

The amendments to the drawings correct informalities relating to clarity of characters, and font size as defined under 37 C.F.R. 1.84 (l) and 1.84 (p). Conformation of the drawings to these standards necessitated the increase in the number of drawing sheets to contain the Figures. The drawing sheets have also been renumbered to compensate for the increase in number of drawing sheets. These amendments contain no new matter.

For the convenience of the Examiner, a table correlating the Figure numbers, original drawing sheet numbers, and replacement drawing sheet numbers is included below.
